and Monday evenings to 9.CROCKETT'S
No. 1 Preservative.THIS Varnish is especially adapted for use
on light colored woods.
Although VERY LIGHT in color, it is sold
at a reasonably low price, and will be found
a very satisfactory article when used on in-
terior work.For Bath Rooms, Kitchens, Hospitals and
all places where soap or alkalis are used, it
will be found especially superior to ordinary
varnish. It resists the action of the elements
longer than ordinary makes of varnish, and
is therefore recommended for interior var-
nishing.For sale by

VISITED BY THOUSANDS

GRAND OPENING OF THE MINTYRE
NEW STORE.Thronged From Morn Till Dewy Eve—A
Glance at the Beautiful New Store and
the Many Departments—Mr. McIntyre
Flooded With Congratulations—Pre-
sented With Lovely Floral Tokens—A
Beautiful Tribute From His Heads of De-
partments.Crowds, crowds, crowds, all day yester-
day surged into Ewen McIntyre &
Co.'s mammoth new and elegant dry
goods store in the new Hubinger build-
ing. The ladies of the city seemed to
be out en masse to see the new store,
and on all sides Mr. McIntyre was flood-
ed with sincere congratulations on the
store's handsome appearance and equip-
ment. Mr. McIntyre did his best to be
everywhere at one time and succeeded
as nearly as any one man could in being
ubiquitous. Immense was the throng
of visitors, and the opening day was a
grand success and worthy of the enter-
prise which Mr. McIntyre displays. The
ladies were delighted with the store,
and doubly delighted, for each received
a bouquet of roses or of violets, until
the supply, mammoth though it was,
was exhausted. Over 5,000 bunches were
given away.The new store is three or four times
larger than the old store. The depart-
ments are as follows: As you enter on
the left you find the gent's furnishing
goods department; next the ladies' un-
derwear and hosiery department. On
the right side as you enter is the no-
tions and domestic goods department.In the center, on the left, as you en-
ter, is the ribbon department, then the
kid glove department, then the lace de-
partment. On the right center is the
notion department again, and next the
lace department again.Then take the left part in the rear. The
front floor is devoted entirely to dress
goods and silks. It is a well lighted
store of itself.The second floor over the main build-
ing is devoted to the cloak department,
ladies' cotton underwear department,
corset department and to the offices of
the firm, which are palatial.The second floor over the main build-
ing is devoted to a big upholstery lace
curtain window shade department.As to the third floor, space is yet to
be assigned.The basement, which is lighted and
airy, is devoted to a big line of kitchen
utensils in great variety, crockery,
lamps, etc., etc.The store is handsomely equipped and
finished throughout, and has two ele-
vators of the latest design, a passenger
and a freight, and is equipped with the
Lamborn cash carrier.An interesting event occurred at the
close of the day. Mr. McIntyre on en-
tering his office found with an elegant
polished oak hat rack, with mirror and
umbrella stand combined, with easy
chair to match, awaiting him. It was
a gift from his heads of departments,
six in number—Messrs. J. T. Hanly,
Charles Uran, W. L. Richards, George
T. Maurer, S. Dixon, T. J. Fleming.Upon the beautiful gift by a card
which told in a few well chosen words
that it was the gift of the gentlemen
named as a testimonial of their esteem
for their employer. All of the donors
have been with Mr. McIntyre since he
engaged in business in New Haven.
It is a gift deeply appreciated by the
recipient.Mr. McIntyre was also the recipient
of lovely floral tributes from Captain
Edward M. Clark of this city, Mr. L. P.
Bates, a Boston merchant, and I. New-
man & Son, the corset manufacturers
of this city, and was visited by many
of our most prominent merchants and
other business men, and by prominent
men from New York.Some tail work was done in removing
the goods from the old store to the new
store. The great bulk of the moving
was all done after the close of business
Tuesday night, and by 2 o'clock yester-
day morning the store was ready for
the public. About forty men were em-
ployed in the moving.

NEW CANAAN CANFAS.

Work of the Connecticut Bible Society.

The visitors of the Connecticut Bible So-
ciety have just completed their work
in New Canaan, which shows that there
are 686 families in the town and a popu-
lation of 2,768, which is 67 more than
were shown in the last civil census.
There are 47 Baptist families, 153 Con-
gregational, 131 Episcopal, 1 Lutheran,
236 Methodist, 2 Presbyterian, 75 Roman
Catholic, 2 Unitarian, 5 Universalist, 16
of no preference and 18 of some other
denominations.In respect to nationalities there are
562 American families, 11 English, 1
French, 29 German, 2 Hungarian, 52
Irish, 4 Polish, 1 Austrian, 3 Swedish,
3 Scotch, 2 Bohemian and 1 Chinese.There were 20 Protestant and 25 Roman
Catholic families without the Bible—
46 in all.Protestant children between 4 and 14
in Sunday school, 341; not in Sunday
school, 143. Roman Catholic children of
same age claimed to attend Sunday
school, 23; not attending, 39.The work has awakened a deep inter-
est in the town. Many persons have
undertaken to live a Christian life. A
Junior Christian Endeavor society of 60
members has been organized. The Sun-
day schools have been greatly enlarged.
At a union meeting in the Congrega-
tional church last Sunday evening to hear
the report of the visitors, notwithstanding
fervid bad traveling, a large audience
gathered and listened with deep inter-
est to the reports of the visitors and ad-
dresses from the secretary of the so-
ciety and the pastors of the churches."I visited the zoological gardens when
I was in Washington," began the re-
turned native, and the other native
immediately interrupted him with
"say, what was the talker about—
silver or the Highway question?"—
Indianapolis Journal.

YALE UNIVERSITY NOTES.

Phelps Memorial—Candidates for
the 'Varsity Nine—Meetings to be Held—
University Chamber Concert To-night.Mr. Charles C. Haight has completed
the designs for the Phelps memorial
gateway to be built between Welch and
Lawrence halls. The building will be of
Gothic architecture and will cost about
\$100,000. The material will be pressed,
red-faced brick with sandstone and ter-
ra cotta trimmings. J. Massey Rhind,
the sculptor, has completed the bronze
medallion of William Walter Phelps,
which is to be presented to Yale and
placed in the memorial building. Work
on the new gateway will be begun early
in the spring.The following candidates for the Uni-
versity nine have presented themselves
at the cage: R. A. Post '95, Quinby '96
S. J. H. McCullough '96 S. R. Cozate
'96, R. L. Ross '96, H. Taylor '96, N. M.
Loyis L. S. R. B. Reed '96 S. C. H.
Boyer '96, W. W. Heaton '96, T. D. Mc-
Donald '97, C. M. Reed '97, C. M. Fince
'97, H. L. DeForest '97, C. M. McCance
'97.The work consisted thus far of pick-
ing up grounders, followed by a short
run and calisthenic exercises in the
gymnasium. The schedule of the bat-
tery candidates has been changed, and
the men will hereafter practice in pairs.
The candidates for the freshman nine
practiced sliding in the cage for the
first time Tuesday afternoon. The men
were coached by G. E. Redington L. S.An inspection of the academic and
Shelf, military companies will be held
in May by an officer of the inspector
general's department of the United
States army.A meeting of the Minnesota men in
college will be held in 191 Old Chapel
to-morrow evening for the purpose of
forming a Minnesota club.A meeting of the tennis association
will be held in Old Chapel to-morrow
evening to elect officers for the ensuing
year, and to decide what shall be done
about courts at the field.

UNIVERSITY CHAMBER CONCERTS.

This evening at 8 o'clock in North
Sheffield hall Prof. Brown will give the
second lecture in the course on the "Be-
ginnings of Musical Instruments." The
subject of this lecture will be "Primitive
Wind and String Instruments," and the
lecture will be illustrated by fifty lantern
slides taken from the Crosby-Brown
collection of musical instruments, now
deposited in the Metropolitan Museum
in New York city. All lovers of music
are invited to attend.

Beautiful Water Colors.

In one of the large windows of F. M.
Brown & Co.'s store is a handsome
frame of beautiful water-colors. They
are the designs of costumes worn in
"Palmer Cox's Brownies" and were
made by K. B. Birch, whose illustra-
tions accompanying Mrs. Burnett's
"Little Lord Fauntleroy" made him fa-
mous. The water-colors, which are ex-
quisitely done, are attracting much no-
tice.

NO PECUNIARY INTEREST.

George Gould Declares that the Count Was
Not Bought.New York, March 6.—Mr. George J.
Gould made a statement to-day after
the Count and Countess De Castellane
had sailed."I wish to deny," he said, "the pub-
lished report of a marriage settlement
made upon Count De Castellane."
"He asked for none and none was
made. The reports are absolutely un-
true as regards the \$2,000,000 report.""Count De Castellane has money in
his own right. His income is more than
sufficient for all his wants and desires,
and why, in view of these facts, any
person could possibly be so criminal
and contemptible as to create a report
that any settlement was made is more
than I can imagine. My sister loves the
count, and is loved in return. There
was no pecuniary interest in their nup-
tials."

ODD FELLOWS' HOME.

Some Alterations to Be Made at Fairview
During the Coming Year.New London, March 6.—The board of
managers of Fairview, the state I. O.
O. F. home, met here this afternoon
and laid out plans for the coming year,
acting in conjunction with Mr. Clark,
the new farmer. Some minor changes
are to be made about the house, which
will make it more convenient.Of the officers there were present early
in the day Loren H. Stannard of New
Haven, chairman of the supply commit-
tee; H. B. Worthington of Norwich;
Fred S. Hunt of Bridgeport, treasurer;
D. W. R. Alling of New Haven, D. G. M.;
W. L. Morgan of New Britain; Charles
E. Gates of Meriden, and H. J.
Hirsch of Norwich. This afternoon
there arrived L. H. Fuller, grand war-
den of Putnam, L. H. Holloway of
Groton was also present.

Will Carry Out the Strike.

Pittsburg, March 6.—At the beginning
of this morning's session of the min-
ers' convention the committee that
conferred with the operators last night
presented its report, the chief feature
of which was a proposition made by
the operators to a joint convention
of miners and operators to be held in
Pittsburg next Saturday. Every dele-
gate was explicitly instructed to carry
out the strike order issued by the
convention late Monday night. The
convention adjourned without date.

Killed by a Freight Car.

Providence, March 6.—William Ab-
bott, twenty-five years old, was killed
by being run over by a freight car
drawn by horses on South Water street
this afternoon. His foot was caught in
a frog and the wheels of the car nearly
cut him in two. He leaves a wife at
Riverside.

Several Indictments Found.

Bowling Green, O., March 6.—The
grand jury has found indictments
against James Gibson, Samuel Knight,
Christopher Gundy, county commis-
sioners; Jacob Stahl, ex-county commis-
sioner; J. W. West and Frank Packard,
architects, and Thomas B. Townsend,
contractor. The men will be arrested
at once. They are charged on several
counts with misconduct in office and of
general crooked work in connection with
the building of the new Wood county
court house.
